

Administrative Assistant

MassEnergize seeks an organized and energetic individual with a demonstrated commitment to addressing climate change to serve as our Administrative Assistant. Reporting to the Executive Director, the Administrative Assistant will provide support to MassEnergize's daily operations, financial management, fundraising efforts, and general outreach and communications.

About MassEnergize

MassEnergize works with community organizers and local leaders to scale both household and town climate actions. We believe that household-level climate action, propelled at scale, is critical for reaching our climate goals and that local leaders are in a unique position to deeply change and empower their communities.

MassEnergize fills a critical niche working with community-based organizations, municipal energy committee members, and town staff, helping them to roll out initiatives to achieve their climate goals. The demand for our help has never been greater. We have grown from working with four communities in 2019 to now supporting community leaders in [25 towns, cities, and faith-based organizations](#).
