Community Climate Leaders
Conference 2024

CONNECT, ENGAGE, & ENERGIZE

Mobilizing climate action in our communities

EVENT SPONSORSHIP PROSPECTUS

ABOUT US

MassEnergiize is a Massachusetts based **501(C)3 nonprofit** working with community organizers and local leaders to scale household and community-level climate action. We provide local leaders with effective tools to amplify their impact and track progress, while supporting them with access to a network of peers to learn and collaborate.

Connect, Engage & Energiize is **MassEnergiize's** annual conference where **climate leaders, community organizers, and municipal sustainability officers** come together for a day of learning and peer engagement. Attendees **learn** from each other **and develop best practices for inspiring and engaging their communities in climate action.** They gain valuable tools and renewed motivation to advance their efforts **to mobilize residential action.**

Energizing Communities For Climate Action

AUDIENCE

MassEnergize works with community organizers and local leaders in the greater Boston area to scale household and community-level climate actions. Our work is based on the belief that household-level climate action, propelled at scale, is critical to reach our climate goals.

Who is attending:

Who potentially advocate and outreach to:

150+
