

NON-PROFIT & COMMUNITY RESOURCE FAIR

Showcase your organization to hundreds of community climate leaders from across Massachusetts. The Non-Profit & Community Resource Fair is an opportunity to raise awareness of your mission, share tools and programs, and connect with local leaders advancing climate action in their communities.

Opportunities for businesses and solution providers to showcase tools and services may be available; details will be announced soon.

Questions? contact us at:

The Details

Time: 4 - 5 PM

All conference attendees are welcome to explore the Nonprofit & Community Resource Fair, connect with community organizations, discover local climate resources, and enjoy on-site book sales.

Nonprofit organizations are invited to participate free of charge.

Exhibitors will receive:

- An exhibit table during the fair
- Recognition in the conference program

Interested in Exhibiting?

Space is limited. To help us ensure a strong mix of community resources and partners, we ask interested organizations to complete a short application form.

👉 Apply to participate here: bit.ly/4qDiwOI

We'll confirm accepted exhibitors and share logistics details by email.
